### **Agreement Description and Rationale**

The document constitutes a transfer agreement between University of Wisconsin-Madison School of Business and Madison College as respective programs align well to prepare students to be strong leaders in Human Resources. UW-Madison is eager to welcome Madison College transfer students into the UW-Madison **Online** BBA-Human Resources program.

Students who pursue the Associate of Applied Science Degree in Human Resource Management at Madison College and submit the Declaration of Intent to Participate to gain admission to an UW-Madison **Online** BBA-Human Resources program will be eligible for joint advisement from both Madison College and UW-Madison Business advisor while completing their Associate degree. Those students who successfully complete the Associate degree and meet specified levels of academic achievement as outlined in this transfer agreement will be guaranteed direct admission to the UW-Madison School of Business **Online** BBA-Human Resources program.

Students who have previously graduated with an Associate degree from Madison College or are otherwise not utilizing this transfer agreement remain welcome to apply for admission per the usual online transfer admission process. Previous coursework will be evaluated for transfer on a course-by-course basis.

This agreement only applies to the UW-Madison **Online** BBA-Human Resources program. Students who wish to pursue an on-campus Business program can utilize the general Madison College Transfer Agreement and follow the application process for that option. UW-Madison **Online Business program students cannot transfer into any on-campus programs.** 

1. UW-Madison Online School of Business Admission Requirements:

To be eligible for guaranteed direct admission to the UW-Madison **Online** BBA-Human Resources program, students must:

- a. Earn a minimum 3.0 cumulative GPA in Madison College transferable coursework as determined by UW–Madison computation. The GPA for transfer is computed in accordance with UW–Madison's grading practices (all grades for repeated and failed transferable degree credit courses are included in the computation).
- b. Complete an electronic Declaration of Intent to Participate with their Madison College advisor, prior to transfer and graduation. Students are strongly encouraged to declare their intent as early as possible to facilitate the smoothest transfer experience. The UW-Madison Office of Admissions and Recruitment will send a copy of the Declaration of Intent to Participate to the student, the Madison College advisor, and UW-Madison Online Recruitment.
- c. Meet with their academic advisor at Madison College at least once per semester while enrolled. The option to meet with a UW-Madison Business advisor is available while completing the Associate degree.
- d. Communicate with a UW-Madison financial aid advisor to understand what <u>types</u> <u>of funding</u> may be available for students in online programs at UW-Madison. Students in online programs are not eligible for some types of funding.
- e. Meet the requirements for **Online** transfer admission to UW-Madison **Online** by demonstrating successful completion of:

- i. A course equivalent to Math 112, College Algebra at UW-Madison. No other math is needed to be considered for admission into the UW-Madison Online program.
- ii. Single world language of either two high school years or two college semesters of sequential study in one world language. A student whose native language is not English is exempt from this admissions requirement provided the student's formal education through the seventh grade was in the native language. If this requirement is not met, students may be admitted with deficiency and will work with School of Business advisors to complete prior to graduation.
- f. Submit application for **Online** transfer admission to UW-Madison according to the schedule for the planned term of entry to UW-Madison, see <a href="https://online.wisc.edu/apply/">https://online.wisc.edu/apply/</a>

# 2. Transfer of Credits

- a. UW-Madison Credit Evaluation Services will determine course transfer. Students are highly encouraged to consult with their advisors to discuss course transfer options for a UW-Madison **Online** BBA: Business Administration-Human Resources program.
- b. Students may **generally** transfer up to 72-degree credits earned at nonbaccalaureate institutions.
- c. To determine how test credit, such as Advanced Placement (AP) or International Baccalaureate (IB), transfer to UW-Madison, see <u>AP/IB Credit</u>

# 3. Graduation Requirements:

- a. All UW-Madison baccalaureate candidates must meet UW-Madison's general education requirements and UW-Madison Online BBA-Human Resources degree requirements.
- b. Students will be required to complete a minimum of 30 credits in residence for a bachelor's degree at UW-Madison.
- c. Students must earn a minimum UW-Madison 2.0 GPA to graduate with an Online BBA degree.

# 4. Program Management and Reporting

- a. Each institution will:
  - i. Assess student progress and experiences to inform modification and/or improvement of the agreement.
  - ii. Exchange information that may be helpful in advising students and pertinent to the academic success of participating students.
- iii. Provide timely information about significant changes in the program of study that relate to the preparation of participating students.

# 5. Termination/Modification

- a. This Agreement is subject to change or modification by mutual written consent.
- b. This Agreement may be modified by UW-Madison, in consultation with Madison College, as may be necessary to bring it within the purview of and in accordance with the directives of the Provost of UW-Madison, the Statutes governing UW-Madison, or the policies of the Board of Regents of the University of Wisconsin

System.

- c. Both UW-Madison and Madison College agree to review this Agreement every three years to assess continued mutual benefit of this Agreement.
